Section ____.

(a) To become a registered limited liability partnership, a partnership shall file with the secretary of state an application stating the name of the partnership;

the address of its principal office; if the partnership's principal office is not located in this state, the address of a registered office and the name and address of a registered agent for service of process in this state, which the partnership will be required to maintain; a brief statement of the business in which the partnership engages; and other matters that the partnership determines to include; and that the partnership thereby applies for status as a registered limited liability partnership.

(b) The application shall be executed by one or more partners authorized to execute an application.

(c) The application shall be accompanied by a fee of one hundred dollars (\$100).

(d) The secretary of state shall register as a registered limited liability partnership any partnership that submits a completed application with the required fee.

(e) A partnership registered under this section shall pay, in each year following the year in which its application is filed, on a date specified by the secretary of state, an annual fee of fifty dollars (\$50). The fee must be accompanied by a notice, on a form provided by the secretary of state, of any material changes in the information contained in the partnership's application for registration.

(f) Registration is effective immediately after the date an application is filed, and remains effective until: (1) it is voluntarily withdrawn by filing with the secretary of state a written withdrawal notice executed by one (1) or more partners authorized to execute a withdrawal notice; or (2) thirty (30) days after receipt by the partnership of a notice from the secretary of state (which notice shall be sent by certified mail, return receipt requested) that the partnership has

failed to make timely payment of the annual fee specified in subsection (e), unless the fee is paid within such a thirty (30) day period.

(g) A partnership becomes a registered limited liability partnership at the date of the filing if there has been substantial compliance with the requirements of this chapter. A partnership continues as a registered limited liability partnership if there has been substantial compliance with the requirements of this chapter. The status of a partnership as a registered limited liability partnership and the liability of the partners thereof, shall not be affected by (1) errors in the information stated in an application under subsection (a) of this section or a notice under subsection (e) of this section, or (ii) changes after the filing of such an application or notice in the information stated in the application or notice.

(h) The secretary of state may provide forms for an application under subsection (a) or a notice under subsection (e) of this section.

(i) A partnership that registers as a registered limited liability partnership shall not be deemed to have dissolved as a result thereof and is for all purposes the same partnership that existed before the registration and continues to be a partnership under the laws of this state. If a registered limited liability partnership dissolves, a partnership which is a successor to such registered limited liability partnership and which intends to be a registered limited liability partnership shall not be required to file a new application and shall be deemed to have filed any documents required or permitted under this chapter which were filed by the predecessor partnership.

(j) The fact that an application or notice is on file in the office of the secretary of state is notice that the partnership is a registered limited liability partnership and is notice of all other facts set forth in the application or notice.

Section ____.

The name of a registered limited liability partnership shall contain the words "Registered Limited Liability Partnership" or the abbreviation "L.L.P." or "LLP" as the last words or letter of its name.

(c) The internal affairs of a partnership, including registered limited liability partnerships, formed and existing pursuant to an agreement governed by this chapter, including the liability of partners for debts, obligations and liabilities of or chargeable to the partnership, shall be subject to and governed by the laws of this state.

(d) Before transacting business in this state, a foreign registered limited liability partnership shall (1) comply with any statutory or administrative registration or filing requirements governing the specific type of business in which the partnership is engaged, and (2) file a notice with the secretary of state, on such forms as the secretary shall provide, stating: the name of the partnership; the jurisdiction the laws of which govern its partnership agreement and under which it is registered as a registered limited liability partnership; the address of its

Such notice shall be accompanied by a fee of one hundred dollars (\$100). Such notice shall be effective for two (2) years from the date of filing, after which time the partnership shall file a new notice.
